

Gratitude Pumpkins

Cut out this pumpkin and use it as a template to create a pumpkin garland.

1. Cut out as many pumpkins as you would like on orange paper.
2. On each pumpkin, write something that you are thankful for.
3. Punch a hole in each pumpkin with a hole punch and string your pumpkins together into a garland, or tape each pumpkin to a string to make a garland.
4. Be sure to thank God for all the blessings in your life.

Give thanks in all circumstances; for this is God's will for you in Christ Jesus. - 1 Thessalonians 5:18
