NAMES OF JESUS ADVENT PAPER CHAIN: INSTRUCTIONS

Discover 25 different names and titles of Jesus as you count down to Christmas! Each paper chain link includes a name of Jesus and a Bible verse that tells us something about who he is.

What You'll Need

- Printed copies of the paper chain pages
- Scissors
- Glue stick, tape, or stapler
- Crayons, pencil crayons, or markers (optional)

Make Your Paper Chain!

1. Print the pages. Print the activity on regular white paper, or use coloured paper for a fun, festive paper chain!
2. Colour your strips. If you've printed on white paper, colour the letters and pictures using crayons, pencil crayons, or markers. Make each link unique!
3. Cut out the strips. Carefully cut along the lines to separate the individual paper chain links.
4. Make your first loop. Take one strip and bring the two ends together to make a circle. Secure the ends with glue, tape, or a stapler.
5. Add another link. Thread the next strip through your first loop before joining its ends together.
6. Keep connecting! Continue adding strips until all 25 names of Jesus are connected in one long paper chain.

Count Down to Christmas!

Hang your finished paper chain somewhere you can see it! Each day, choose a link and discover another name of Jesus.

Read the Bible verse on the link together and talk about what it tells you about Jesus. You could ask:

- What does this name tell us about Jesus?
- What does this Bible verse mean?
- How does this name help us understand who Jesus is?

Have fun creating, exploring, and celebrating Jesus this Advent season!

NAMES OF JESUS ADVENT PAPER CHAIN

Instructions for alternating paper strips on colored paper

To print your paper chain on alternating coloured paper (like red and green paper strips), print the out-of-order paper strips on the pages below.

Then, simply cut out each strip and chain together: they will chain together in an alternating pattern.
